BlitzWolf BW-S29 120W mains charger (black)

If you're tired of overloaded outlets and slow charging, the BlitzWolf BW-S29 will be your new favorite. This compact but extremely powerful mains charger offers up to 120 watts of total power and 4 ports: 2 x USB-C and 2 x USB-A. With it, you can power your laptop, phone, tablet and headphones at the same time - and at full speed.

120 W of power in the palm of your hand

The two USB-C ports provide up to 100 watts of power each, allowing you to charge PD laptops like MacBooks and Windows ultrabooks. The USB-A ports offer up to 60 watts - great for smartphones, powerbanks or portable consoles. Regardless of the combination, the charger intelligently distributes power for fast and safe charging.

Works with any equipment

Supports multiple fast charging protocols: PD, QC, SCP, PPS, AFC, PE and more - it will easily handle the latest iPhones, as well as flagship models from Samsung, Xiaomi, Huawei, as well as Apple devices, Nintendo Switch, or powerbanks. It's a versatile solution for any home or office.

Compact and ready to travel

Despite its power, the BW-S29 remains handy and lightweight - it weighs about 224 g and measures just 123 × 61 × 28 mm. Thanks to its 100-240V input, it will also prove its worth when traveling abroad.

Reliable security features

The charger automatically recognizes connected devices and adjusts power to protect against overheating, overvoltage and overload. The rugged housing and reliable protection circuits provide complete peace of mind - no matter what you're charging or where you're charging.
