replenish energy without the need for cables. It's the perfect solution for both travel and everyday use.

Magnetic mount and compact design

Thanks to its built-in magnetic mount, the Baseus Nomos Qi2 provides a stable connection to compatible devices for added convenience. Its compact and lightweight design makes it fit in any bag or even pocket, making it the perfect companion for any situation.

Multifunctionality and safe use

The powerbank allows you to charge three devices simultaneously thanks to a combination of USB-C port, USB-A port and wireless technology. Advanced safety features protect against overheating, overvoltage and short-circuit, ensuring full protection for both the user and the connected equipment.

Modern technology at your fingertips

Baseus Nomos Qi2 combines innovation with functionality. The built-in digital display allows you to monitor the battery charge level in real time, and its universal compatibility makes it compatible with a wide range of devices. It is a reliable and practical choice that will meet the expectations of the most demanding users.
