## Blitzwolf BW-i100 5-in-1 120W Network Charger

Blitzwolf BW-i100 is an extremely versatile charger that perfectly combines functionality and efficiency, allowing multiple devices to be powered simultaneously. With 2 USB-A ports and 3 USB-C ports, this charger offers plenty of options that will surely meet your needs.

## Powerful Charging Power

The most important features of the BW-i100 are the USB-C1/USB-C2 ports, which can deliver an incredible power of up to 20V/5A, as well as the PPS function, allowing a maximum power of 120W. This ensures that your laptops and tablets will be charged at an express pace.

## Speed, Efficiency, Compatibility

USB-A1/A2 support QC3.0 technology, providing rapid charging. Meanwhile, USB-C1/USB-C2 ports offer voltages from 5V/3A up to 20V/5A, allowing for fast and efficient charging of compatible devices. BW-i100 supports various protocols, including PD3.0, QC3.0, AFC, FCP, SCP, PPS, PE, and APPLE, making it compatible with a wide range of devices, regardless of the manufacturer or model.

## Compact Design

Despite its power, the BW-i100 has compact dimensions (146.5 × 78.5 × 20 mm) and a low weight (308 g), making it ideal for both travel and everyday use. Whether you are in the office, at home, or on a business trip, you can be sure that your devices will always be powered by a reliable device.
