Advanced Eye-Care Technology

Designed for professionals and users who spend extended periods in front of the screen, the GW2790T integrates BenQ's comprehensive Eye-Care suite, certified by TUV Rheinland Eyesafe 2.0. These features minimize eye strain without compromising image quality.

- **100Hz Refresh Rate:** Provides noticeably smoother motion compared to standard 60Hz monitors, improving comfort during reading, scrolling, and streaming.
- **Flicker-Free Technology:** Eliminates harmful screen flickering.
- **Low Blue Light Plus:** Filters out harmful blue-violet light while maintaining color accuracy.
- **ePaper Mode:** Simulates the texture of an e-book for enhanced reading comfort.
- **Coding Mode:** Optimizes contrast and colour saturation specifically for coding tasks, reducing visual fatigue.

Seamless Connectivity and Ergonomic Design

The GW2790T excels in workspace integration, offering extensive connectivity and complete physical adjustability.

- **Ergonomic Stand:** Customize your viewing experience completely with height adjustment, pivot (rotation), swivel, and tilt options.
- **Multiple Inputs:** Equipped with two HDMI ports and a DisplayPort, enabling quick, one-click switching between multiple connected devices.
- **Response Time:** Fast 5 ms (grey-to-grey) response time ensures minimized ghosting during video playback.
- **Built-in Audio:** Integrated 2Wx2 speakers provide convenient stereo sound.

BenQ is a globally recognized leader in visual display solutions, committed to delivering products that enhance lifestyle, promote productivity, and ensure digital well-being through innovative Eye-Care technologies.
