- **Toolless Tilt Adjustment:** Easily adjust the viewing angle with +15°/-15° tilt.
- **Adjustable Brackets:** Features individual adjustable brackets (10 mm) for precisely adjusting or leveling the display height.
- **VESA Compatibility:** Suitable for screens with VESA hole patterns from 100x100 to 400x400 mm.
- **Connectable Wall Plate:** Designed for multiple screen mounting with specific cut-outs for wall sockets and cable management.
- **Pull & Release System:** A safe and practical system allows for quick and secure attachment and detachment of the display.
- **Tilt-Lock:** Prevents the display from tilting upwards during installation or removal.
- **Lockable Bracket:** Offers extra screen security with the option to use a padlock (not included).

With a 9.3 cm profile, the wall plate includes perforated holes for easy cable fixing and storage, ensuring a clean and tidy setup. An optionally available AV-rack can be installed on either side for simple and effective storage solutions.

Neomounts is known for providing innovative and reliable mounting solutions that enhance your viewing experience with ease and security.

The Neomounts WL35-750BL14 LEVEL is the ultimate tiltable solution for securely mounting an interactive or heavy weight display up to 75" with a maximum capacity of 100 kg. The toolless tilt adjustment (+15°/-15°) allows you to create the optimum viewing angle. This heavy-duty wall mount features a sturdy high profile wall plate and is engineered for stability and precision, ensuring your screen is securely mounted even on uneven surfaces. The mount features individual adjustable brackets (10 mm) for securely adjusting the display height or levelling it.

The LEVEL-750 wall mount has a profile of 9,3 cm and is suitable for screens that meet VESA hole pattern 100x100 to 400x400 mm. Its quickly connectable wall plate allows for multiple screen mounting. Additionally, the wall plate is designed with specific cut-outs for wall sockets and securing devices and cables. It features various perforated holes for easy tie-wrap cable fixing and provides space for cable storage, ensuring a clean and tidy finishing.

The WL35-750BL14 includes a safe and practical pull & release system, allowing you to quickly attach and detach the display in a safe and secure manner. The tilt-lock prevents the display from tilting upwards when attaching it on or detaching it from the mount to enable a safe install. It is possible to lock the bracket using a padlock (not included) for extra screen security.

For a simple and effective storage, an optionally available, AV-rack can be installed to the left or right side of the mount.
