

# Carlinkit CPC200-A2A Android Auto wireless adapter

Modelis: CPC200-A2A

Gamintojas: CARLINKIT

EAN: 6972185560188

Prekės kodas: 355455

## 41.99€

### Carlinkit CPC200-A2A Android Auto wireless adapter

The Carlinkit CPC200-A2A Wireless Adapter is the ideal solution for drivers who want to enjoy Android Auto features without having to connect their phone with a cable. The device allows you to connect wirelessly to your car system, providing quick access to maps, music, phone calls and apps without distractions while driving. With 5.8GHz Wi-Fi and Bluetooth 5.2 technology, the connection is stable and data transmission is fast and smooth.

### Easy installation and automatic connection

The Carlinkit CPC200-A2A works in plug & play mode - just plug the adapter into your car's USB port and the device will automatically connect to your phone. The Auto Connect feature ensures that after the initial setup, your smartphone connects to the system every time you get in the car. The

adapter is compatible with most cars equipped with the factory Android Auto system and phones running Android 11.0 or later.

## Safety and convenience on the road

The Carlinkit CPC200-A2A adapter allows you to fully control your multimedia system using the touchscreen, steering wheel buttons and voice commands, enhancing your comfort and safety while driving. The rugged carbon fiber material construction is scratch-resistant, and the compact size means the device doesn't take up much space. With OTA update support, the adapter gains new features and software fixes without the need to connect to a computer.
