## Philips 275B1 B-Line 27-inch QHD Business Monitor

This high-performance professional monitor is designed for maximum productivity and sustainability in demanding work environments. The Philips 275B1 delivers crystal-clear Quad HD (2560 x 1440) resolution at a smooth 75 Hz refresh rate on a spacious 27-inch screen, providing the clarity and space needed for complex workflows. Utilizing IPS panel technology, it ensures accurate colors and extremely wide 178/178-degree viewing angles, making it ideal for visual tasks and collaborative work.

## Optimal Productivity and Eye Comfort

The 275B1 is loaded with advanced features specifically engineered to improve efficiency and reduce environmental impact. The revolutionary built-in PowerSensor detects if the user is present and automatically reduces monitor brightness when the user steps away, cutting energy consumption by up to 80%. Furthermore, the display includes certified eye comfort features (TUV Ergo certified) designed to reduce eye fatigue, ensuring comfortable viewing during long working hours.

## Key Technical Specifications and Connectivity

- 27-inch IPS Panel: Offers native QHD (2560 x 1440) resolution at 75 Hz, supported by 300 cd/m<sup>2</sup> brightness and a fast 4 ms (grey-to-grey) response time.
- Exceptional Color Performance: Supports 16.7 million colors with a wide color gamut (123% sRGB and 110% NTSC) for excellent color accuracy.
- Integrated USB Hub: Features a convenient USB 3.2 hub for connecting peripherals and improving desktop cable management.
- Versatile Connectivity: Includes VGA, DVI-D, DisplayPort 1.2, and HDMI inputs, ensuring broad compatibility with legacy and modern computing systems.
- Full Ergonomics: The SmartErgoBase allows for complete display position adjustments, including height, pivot (rotation), swivel, and tilt, to achieve the perfect viewing position.
- Sustainable Design: Meets stringent environmental standards, including TCO Certified Edge Displays and ENERGY STAR Qualified, ensuring high energy efficiency and is BFR-free, PVC-free, and Mercury-free.
