AOC C27G42E 27" FHD 180Hz Curved Gaming Monitor

The AOC C27G42E is engineered for competitive gamers demanding speed and immersion. Featuring a 27-inch Full HD display with a tight 1500R curvature, this monitor pulls you deeper into the action while providing crystal-clear visuals. The high-performance Fast VA panel, combined with a blazing 180Hz refresh rate and lightning-fast 1ms response time (GtG), ensures that motion blur is virtually eliminated, giving you the edge needed to secure victory.

Unmatched Speed and Fluidity

Achieve peak performance thanks to industry-leading refresh and response times. Whether navigating fast-paced shooters or complex racing simulators, the C27G42E delivers consistently fluid visuals and extremely low input lag.

- **Hyper-Responsive 180 Hz Refresh Rate:** Experience significantly smoother frame transitions compared to standard monitors, minimizing stutter and allowing for quicker reaction times in critical moments.
- **1 ms GtG Response Time (0.5 ms MPRT):** Eliminate ghosting and blurring during rapid motion sequences for sharp, responsive gameplay.
- **Adaptive Sync Support:** Synchronizes the monitor's refresh rate with your GPU's frame output, preventing screen tearing and stuttering for a seamless gaming experience.

Immersive Visual Quality and Design

The 1500R curvature mimics the natural curve of the human eye, providing maximum comfort during long gaming sessions while enhancing perceived depth. The Fast VA panel ensures vibrant colors, a high contrast ratio, and wide 178° viewing angles.

- **27-inch FHD (1920x1080) Display:** Offers detailed Full HD resolution ideal for gaming, providing a great balance between visual fidelity and high frame rates.
- **HDR10 Support:** Enhances color saturation and contrast (300 cd/m² brightness), bringing out crucial details in both the brightest and darkest scenes.
- **Anti-Glare Surface:** Reduces distracting reflections and eye strain, allowing you to focus completely on the game.
- **Built-in Speakers:** Provides convenient audio output without the need for external peripherals.

Connectivity and Ergonomics

The C27G42E offers comprehensive connectivity options and practical design features suitable for any modern gaming setup.

- **Connectivity:** Features 2x HDMI 2.0 ports and 1x DisplayPort 1.4 input, alongside a dedicated headphone output.
