The Ulefone ARMOR 29 ULTRA is engineered for those who demand uncompromising performance and extreme durability. Finished in sleek Marvel Black, this rugged 5G smartphone pairs massive storage and RAM with a colossal battery, ensuring reliability whether you are on a demanding job site or exploring the wilderness. Running on the cutting-edge Android 15.0 OS, the ARMOR 29 ULTRA handles intensive applications, multitasking, and high-speed data transfer effortlessly.

Unmatched Power and Storage Capacity

Experience lightning-fast operation thanks to the powerful Octa-core CPU architecture, designed to deliver exceptional speed and efficiency. With a staggering 16GB of RAM, app switching and demanding games run smoothly without lag. Never worry about running out of space again: the ARMOR 29 ULTRA comes equipped with a colossal 1TB (1024GB) of built-in storage, expandable via Micro SDXC, providing ample room for all your 50MP photos, 4K videos, and large files.

Advanced Display and Photography

View content with vibrant clarity on the stunning 6.67-inch AMOLED display, featuring a crisp 1080 x 2400 resolution. Capture professional-grade photos and videos using the versatile triple camera system (50MP main, 64MP secondary, 50MP tertiary) with wide apertures (f/1.9, f/1.8, f/2.2). The equally impressive 50MP front-facing camera ensures sharp, detailed selfies and high-quality video calls.

Extreme Battery Life and Connectivity

- **Massive 21200 mAh Battery:** Provides multi-day usage, reducing the need for constant charging, perfect for extended expeditions.
- **Ultra-Fast Charging:** Supports 120W max charging power, allowing you to rapidly refill the massive battery capacity.
- **Wireless Charging:** Convenient wireless charging capability for easy power management.
- **5G Connectivity:** Enjoy blazing-fast downloads, streaming, and ultra-low latency thanks to full 5G support.
- **Dual SIM Capability:** Features two Nano-SIM card trays, ideal for balancing work and personal lines or international travel.
