The Ulefone Armor X12 is engineered for users who demand reliability in extreme conditions. Combining robust protection with essential smartphone features, this rugged device is perfect for outdoor workers, adventurers, and anyone needing a reliable phone that can withstand drops, dirt, and water. Featuring a compact 5.45-inch HD+ display and running the efficient Android 13 Go edition, the Armor X12 provides a seamless user experience without compromising on durability.

## Built for the Outdoors: IP68 and Robust Design

Never worry about environmental damage again. The Armor X12 boasts an industry-leading **IP68 rating**, ensuring complete resistance to dust ingress and submersion in water. Its durable chassis is designed to handle tough situations, while the IPS screen features an oleophobic coating for easy cleaning and fingerprint resistance.

- **Certified Protection:** IP68 rating guarantees water and dust resistance.
- **Rugged Build:** Designed to withstand repeated free falls (Class A reliability).
- **5.45-inch HD+ Display:** Compact size with 720 x 1440 resolution, perfect for single-hand use.
- **Connectivity Essentials:** Supports 4G LTE, Bluetooth 5.0, and includes NFC for quick mobile payments and data transfer.

## Reliable Performance and Battery Life

Powered by the MediaTek Helio A22 processor (Quad-core, up to 2.0 GHz) and paired with 3 GB of RAM, the Armor X12 handles daily applications smoothly. The device includes 32 GB of internal storage, expandable up to 256 GB via MicroSD, offering ample space for photos, maps, and essential work files. Its substantial **4860 mAh battery** provides extensive usage time, rated for up to 20 hours of talk time on 3G.

- **Efficient Processor:** MediaTek Helio A22 ensures responsive performance.
- **Storage:** 3GB RAM and 32GB ROM, expandable up to 256 GB.
- **Long-lasting Power:** 4860 mAh battery capacity for extended use in the field.
- **Operating System:** Clean and optimized Android 13 Go edition.

## Advanced Features and Navigation

Capture your adventures using the 13 MP rear camera and 8 MP front camera. The Armor X12 supports essential location services including GPS, GLONASS, Galileo, and BeiDou, ensuring accurate positioning wherever you go. Security is enhanced with face recognition and a built-in fingerprint reader.

- **Photography:** 13 MP rear camera and 8 MP front camera with AI scene recognition.
- **Accurate Navigation:** Multi-satellite support (GPS, GLONASS, Galileo, BeiDou).
- **Security:** Fast face recognition and integrated fingerprint sensor.
- **Hybrid Dual SIM:** Flexibility for combining personal and work numbers, or utilizing international travel SIMs.

**ULEPHONE** is a company known for manufacturing high-quality, durable rugged smartphones designed to perform reliably in the most demanding environments, focusing on superior battery life and protection standards.

Order today from ++SHOP++ as we offer the best rugged phone selection and customer service.
