- **QD-Mini LED Display Technology:** Provides precise backlighting control, enhancing contrast ratios and color volume for true-to-life images.
- **4K Ultra HD Resolution (3840 x 2160):** Delivers four times the detail of standard Full HD, ensuring crystal-clear picture quality.
- **144Hz Native Refresh Rate:** Guarantees ultra-smooth motion handling, essential for watching fast-paced sports and competitive gaming.
- **PPI 4100 (Picture Performance Index):** Advanced motion interpolation technology further refines rapid on-screen movement.
- **Sleek Metallic Design:** Adds a modern and elegant touch to any living space.

Smart Connectivity and Tuner Support

The TCL 55Q6C functions as a complete entertainment hub, offering seamless access to your favorite streaming services and integrated digital broadcast tuners.

- **Integrated Smart TV:** Access popular apps and streaming platforms easily via the intuitive operating system.
- **Comprehensive Tuner System:** Built-in digital signal format support including DVB-T2, DVB-C, and DVB-S2, ready for current and future broadcast standards.
- **Wireless Connectivity:** Features both Wi-Fi and Bluetooth for easy networking and pairing of external devices like soundbars or controllers.
- **Multiple Ports:** Equipped with 4x HDMI inputs and 1x USB port, allowing you to connect multiple consoles, media players, and external storage devices simultaneously.

TCL is a globally recognized technology leader dedicated to developing premium, high-value consumer electronics, specializing in display and smart device innovation.

Order the TCL 55Q6C today from ++SHOP++ as we offer the best prices and reliable delivery for your next home cinema upgrade.
