TCL 43V6C: Immersive 4K Google TV Experience

Harnessing the power of advanced technology, the TCL V6C series transforms your viewing experience. The 43-inch 4K Ultra HD display (3840 x 2160), powered by Direct-LED (DLED) technology, delivers crisp, clear images, making every detail visible. With a typical contrast ratio of 3000:1 and 260 cd/m² brightness, the picture quality is vivid and dynamic.

The TCL 43V6C is more than just a TV; it's an entertainment hub driven by Google TV, offering seamless access to your favorite content and streaming services. Coupled with the powerful AiPQ

Processor and Motion Clarity technology, fast-paced action and sports are rendered smoothly and precisely.

Key Performance Features:

- **4K Ultra HD with DLED:** Provides breathtaking clarity and detail across the 43-inch screen.
- **Advanced Picture Processing:** Features the AiPQ Processor and PPI (Picture Performance Index) 2500 for enhanced real-time picture quality and superior motion handling.
- **Dolby Vision & HDR10+:** Full support for cinema-grade High Dynamic Range formats ensures exceptional contrast, brightness, and color depth.
- **Immersive Audio:** Enjoy high-quality sound with built-in speakers and support for Dolby Atmos, creating a three-dimensional audio landscape.
- **Smart Functionality:** Runs on the advanced Google TV platform with built-in Google Assistant, allowing for hands-free voice control and smart home integration (compatible with Alexa).
- **Game Master Ready:** Optimized for gaming enthusiasts, offering quick responsiveness with a low response time of 6.5 ms.

Connectivity and Design:

The functional elegance of the TCL V6C is highlighted by its bezel-less, metallic design, maximizing screen space and providing a sleek, modern look. Connectivity options ensure full compatibility with modern devices and broadcasts:

- 3 x HDMI inputs and 1 x USB port.
- Wireless connectivity via Wi-Fi and Bluetooth.
- Integrated tuners supporting digital signal formats DVB-T2, DVB-C, and DVB-S2.

TCL is a globally recognized manufacturer known for producing accessible, high-quality display and electronic products that incorporate cutting-edge smart technology.
