

PATCH CABLE CAT.6A UTP/5M BLACK IBIBJ VENTION

Modelis: IBIBJ

Gamintojas: VENTION

EAN: 6922794742987

Prekės kodas: 357380

5.99€

Vention Cat6A UTP Ethernet Patch Cable.

Introducing the Vention Cat. 6A UTP Patch Cable Slim Type – a cutting-edge networking solution engineered for maximum performance and convenience. Designed to support high-speed data transmission up to 10Gbps, this ultra-slim and portable Ethernet cable is tailored for modern digital environments, whether at home, in the office, or on the go.

1. Ultra-Slim Design: The Vention Cat. 6A Patch Cable boasts an ultra-slim profile with an outer diameter of just 2.8mm, providing unparalleled flexibility and ease of cabling. The slim design ensures that the cable can be easily routed in tight spaces or hidden beneath floors, enhancing the aesthetics and organization of your setup.

2. High-Speed and Stable Transmission: This cable guarantees a blazing-fast transmission rate of 10Gbps with a bandwidth of up to 500MHz, ensuring that your network operates at peak efficiency. The high-speed data transfer capability is perfect for demanding applications such as stable gaming,

HD video streaming, and fast downloads.

3. **Enhanced Durability:** Constructed with high-quality materials, the cable features four shielded twisted pairs of oxygen-free copper conductors, enhancing signal integrity and reliability. The addition of nylon wire for stretch resistance and a durable PVC jacket make this cable robust and long-lasting, withstanding daily wear and tear.
 4. **Gold-Plated Contacts:** Featuring 24K gold-plated contacts, the Vention Cat. 6A Patch Cable ensures superior wear resistance and faster transmission. The trigeminal chip gold-plated contacts enhance conductivity and reduce signal loss, guaranteeing consistent and reliable performance.
 5. **Multiple Lengths:** Available in various lengths ranging from 0.5 meters to 10 meters, this cable provides the flexibility to cater to diverse networking requirements. Whether you need a short cable for quick connections or a longer one for extensive setups, Vention has you covered.
 6. **Universal Compatibility:** The Vention Cat. 6A Patch Cable supports a wide range of devices, including desktops, laptops, routers, switches, ADSL modems, and optical modems. This universal compatibility ensures that the cable can easily integrate into any existing network infrastructure.
 7. **Versatile Usage:** Ideal for multiple scenarios, this cable is perfect for use in offices, homes, hotels, and even during travel. Its slim and flexible nature makes it an excellent choice for cabling in various environments, providing reliable connectivity wherever you go.
 8. **Verified Quality:** Each Vention Cat. 6A Patch Cable undergoes rigorous testing to comply with Cat. 6A network cable standards. Backed by a one-year warranty and thorough quality checks, you can trust that you are investing in a reliable and high-performance networking cable.
