Equipped with the powerful AiPQ Processor, the TCL V6C optimizes content in real-time for superior picture performance. The 4K Ultra HD resolution (3840 x 2160 pixels) ensures every image is rendered with stunning clarity. For smooth action scenes, the integration of Motion Clarity technology and a PPI (Picture Performance Index) of 2500 drastically reduces motion blur, making it ideal for fast-paced movies and sports. The Direct-LED backlighting ensures consistent brightness (270 cd/m²) and a high contrast ratio (3000:1).

The Power of Google TV and Immersive Audio

- **Smart Entertainment:** The TCL 55V6C utilizes the advanced Google TV system, providing personalized content recommendations and easy access to thousands of streaming apps.
- **Built-in Google Assistant:** Control your TV, search for content, and manage smart home devices using only your voice. This TV is also compatible with Alexa.
- **Dolby Atmos Sound:** Featuring high-quality integrated speakers, this television delivers immersive, multi-dimensional audio supported by Dolby Atmos technology, placing you right in the middle of the action.

Connectivity and Design

Connectivity is simple and robust, offering Wi-Fi, Bluetooth, Ethernet LAN, three HDMI inputs, and one USB port for connecting all your peripherals and devices. The functional bezel-less metal design maximizes the viewing area, ensuring you enjoy more of the picture and less of the frame.
