## Honor X5c PLUS: Power and Performance in Your Hands

The Honor X5c PLUS is a versatile smartphone designed for users who value long-lasting battery life, a large immersive display, and reliable performance. Featuring a sleek Ocean Cyan finish, this device combines modern aesthetics with practical features for everyday use.

### Exceptional Battery Life and Durability

Equipped with a massive 5260mAh high-capacity battery, the Honor X5c PLUS ensures you stay connected throughout the day and beyond. With the Honor super power-saving mode, even 10% battery can support up to 61 hours of standby time. The battery is built for longevity, offering 4 years of anti-aging durability to maintain peak performance over time.

## Smooth Performance and Large Storage

Under the hood, the powerful MediaTek Helio G81 8-core processor provides a smooth and responsive experience. The device features 4GB of RAM, which can be expanded to an equivalent of 8GB using Honor RAM Turbo technology for seamless multitasking. With 128GB of internal storage, you have plenty of space for all your apps, photos, and media.

## Immersive Visuals and Smart Features

Enjoy your favorite content on the large 6.74-inch display with a 90Hz refresh rate for fluid scrolling. The Magic Capsule feature provides a glanceable view of your interactions, while the 50MP ultra-clear main camera captures stunning photos with incredible detail. For added convenience, the side fingerprint power button allows for fast and secure unlocking, and knuckle screenshots make capturing your screen easier than ever.

## Reliability You Can Trust

The Honor X5c PLUS is built to withstand daily life, featuring an IP54 rating for dust and splash resistance. Its robust construction ensures it remains a reliable companion for years to come.

**HONOR** is a leading global provider of smart devices, committed to becoming a global iconic tech brand and enabling a smart life across all scenarios and all channels for all people.
