Our wall chargers are excellent for charging smartphones, tablets, or other mobile devices through electrical outlets. The charging adapter has a maximum power output of 25W, featuring 1x USB-C and 1x USB-A charging ports that allow the simultaneous charging of up to two devices from a single outlet. The use of high-quality components of the latest GaN technology allows for a much more compact and lighter design of power supplies and thus enables higher charging performance with significantly lower heat development. Intelligent and state-of-the-art chipsets continuously control and monitor the charging power and temperature throughout the entire charging process. Our 25W charging adapter is Intertek GS certified and, in addition to all relevant protective mechanisms, also boasts a shock- and fire-resistant V0-rated housing made of polycarbonate, ensuring the highest
