The Blackview SHARK 6 redefines the mid-range smartphone experience by combining stunning geometric craftsmanship with advanced 5G performance and pioneering artificial intelligence. Designed for users who demand seamless multitasking and creative freedom, the SHARK 6 features an iconic octagonal camera dome and an Earth-inspired textured back, merging technology with natural elegance.

## Unprecedented AI Integration with Doke AI

Experience hands-free, intuitive interaction powered by Blackview Doke AI. The SHARK 6 fully integrates top-tier AI models including DeepSeek-R1, ChatGPT-4o mini, and Gemini AI 2.0 Flash Thinking Experimental. Enjoy features like effortless Voice Wakeup, instant Voiceprint Recognition, real-time voice interaction, and Global Smart Control for managing apps and settings with simple commands.

## Dynamic 120Hz HD+ Immersive Display

Dive into stunning and smooth visuals on the expansive 6.88-inch HD+ IPS display (720 x 1640). The 120Hz Smart AI Refresh Rate ensures flawless flow, making scrolling, streaming, and intense gaming ultra-responsive. With a high 89.7% screen-to-body ratio, your content takes center stage.

## Seamless 5G Performance and Storage

The SHARK 6 is powered by the 5G Octa-core Unisoc T8100 processor, ensuring fast connectivity, seamless streaming, and ultra-responsive gaming. Paired with an Advanced Integrated Cooling System, the device maintains stable, high performance even during demanding sessions. Multitask effortlessly:

- **RAM:** 4GB LPDDR4X (expandable virtually up to 24GB)
- **Storage:** 128GB internal ROM
- **Expansion:** Supports up to 2TB TF external storage

## Professional AI Photography Suite

Transform your everyday snapshots into masterpieces with the extensive Magic AI Photo Editor. The 16MP AI Main Rear Camera delivers crisp, clear images optimized by AI Scene Recognition and Smile Shutter technology. The 8MP front camera enhances selfies with optimized lighting and skin tones
