Blue.

## Unrivaled AI Integration with Doke AI

Step into the future of mobile interaction with Doke AI. The SHARK 6 fully integrates three top-tier AI models (DeepSeek-R1, ChatGPT-4o mini, and Gemini AI 2.0 Flash Thinking Experimental) for a truly intuitive and hands-free experience running on the latest DokeOS 4.2 based on Android 15. Enjoy features designed to empower your day-to-day:

- **Voice Wakeup & Voiceprint Recognition:** Access your phone instantly using only your voice (Your Voice. Your Access).
- **Real-time Voice Interaction:** Chat and get real-time replies in 10 diverse voices.
- **Global Smart Control:** Control apps and settings using simple voice commands (One Voice. Total Control).
- **AI Chat Companion:** A smarter, more personal AI companion for problem-solving and roleplaying.

## Magic AI Photo & Video Editing

Transform your ordinary snapshots into masterpieces with the extensive Magic AI Photo Editor. Featuring 18 advanced AI editing tools, the SHARK 6 makes professional-level content creation accessible with a single tap. Key editing features include:

- **AI Object Removal:** Instantly erase unwanted elements from photos.
- **AI Photo Retouching:** Automatically enhance facial features and lighting for subtle, stunning, and natural results.
- **AI OutPainting:** Extend the edges of your photo to reveal more story beyond the frame.
- **AI Background Replace, AI Blemish Remover, and AI Scratch Removal:** Effortlessly perfect your image quality.
- **Smart AI Video Editor and Music Composer (Soundle):** Turn words or images into vibrant videos and full songs, with no experience needed.

## Immersive 120Hz Visual Experience

[www.shopro.lt](http://www.shopro.lt) | [info@shopro.lt](mailto:info@shopro.lt) | +370 693 39903

Dive into stunning and smoother visuals on the massive 6.88-inch HD+ IPS display (720 x 1640 resolution). The 120Hz Smart AI Refresh Rate keeps everything flowing flawlessly, whether you are scrolling through social media or engaging in epic gaming battles. The panel offers 450 nits brightness and an 89.7% screen-to-body ratio for maximum immersion.

## 5G Performance and Power

Powered by the 5G Octa-core Unisoc T8100 chipset, the SHARK 6 ensures ultra-responsive performance, seamless streaming, and instant downloads. The device features an Advanced Integrated Cooling System to efficiently dissipate heat during intense use, ensuring a stable and responsive experience.

- **RAM and Storage:** Equipped with 8 GB of LPDDR4X RAM (expandable up to 24 GB via virtual RAM) and 128 GB of internal storage.
- **Massive Expansion:** Store all your games and documents easily, as storage is expandable up to 2 TB using a dedicated MicroSD (TF) card slot.

## Capture Every Detail

The SHARK 6 captures life's moments clearly with its powerful camera system. The 16 MP AI Main Rear Camera delivers crisp, clear images, supported by AI Scene Recognition and Smile Shutter technology for capturing candid moments hands-free. Record your adventures in incredible 4K Ultra-clear Video Recording, ensuring every detail and color is captured sharply.

Step up your selfie game with the 8 MP front-facing camera, optimized by AI to enhance lighting and skin tones. The Face Fill Light feature ensures you get that smooth, glowing look, even in dark conditions.

## Battery and Durability

Keep your day powered with the large 5000 mAh battery, supported by 18W fast charging capability. Designed for reliability, the SHARK 6 maintains an IP44 rating for resistance against light dust and water splashes.

**Blackview** is a brand specializing in robust, feature-rich smartphones, known for integrating advanced technology, high memory capacity, and durable design into accessible devices.
