Biostar GeForce GT 610 2 GB GDDR3 Graphics Card

The Biostar GeForce GT 610 graphics card provides reliable performance for everyday computing, multimedia playback, and light productivity tasks. Built on the NVIDIA GeForce GT 610 processor, this card is an ideal choice for upgrading integrated graphics or building budget-friendly home theater PCs (HTPC) and office workstations. Featuring 2 GB of fast GDDR3 memory operating on a 64-bit bus, it ensures smooth rendering for common applications.

Core Performance and Features:

- Graphics Processor: NVIDIA GeForce GT 610, running at 700 MHz core frequency.
- Memory Capacity: 2 GB of discrete GDDR3 memory, with a clock speed of 1333 MHz.
- Interface: PCI Express x16 2.0 ensures compatibility with a wide range of motherboards.
- API Support: Supports DirectX version 11, enabling compatibility with modern operating systems and applications.
- Maximum Resolution: Capable of supporting resolutions up to 2560 x 1600 pixels.
- CUDA Support: Includes NVIDIA CUDA technology for accelerated performance in supported applications.

Connectivity and Cooling System:

Equipped with an active cooling system, the Biostar GT 610 efficiently manages heat, ensuring stable performance under load. This card offers versatile connectivity options required for multi-display setups, including one HDMI port, one DVI-D port, and a legacy VGA (D-Sub) port. Its compact form factor (167 mm long, 121 mm high) makes installation easy even in smaller chassis. It is RoHS compliant and supports Windows Vista and Windows 7 operating systems.

BIOSTAR is a well-established manufacturer in the computer hardware industry, known for producing reliable motherboards, graphics cards, and peripheral components designed for durability and value.

Order today from ++SHOP++ as we offer the best deals and fast shipping on essential PC components.

Interface type: PCI Express x16 2.0 | Package type: Box | HDMI ports quantity: 1 | Graphics processor: GeForce GT 610 | VGA (D-Sub) ports quantity: 1 | TV tuner integrated: No | Quick installation guide: Yes | Windows operating systems supported: Windows Vista | Length: 167 mm | Memory bus: 64 bit | DirectX version: 11 | Height: 121 mm | Graphics processor family: NVIDIA | Cooling type: Active | CUDA: Yes | Compliance certificates: RoHS | Processor frequency: 700 MHz | Maximum resolution: 2560 x 1600 pixels | Discrete graphics card memory: 2 GB | Memory clock speed: 1333 MHz | Windows operating systems supported: Windows 7 | Depth: 16 mm | DVI-D ports quantity: 1 | Graphics card memory type: GDDR3
