## Optimised for you

Tailor the controller to your preferred gaming style with new interchangeable thumbstick and paddle shapes. Save up to 3 custom profiles and 1 default profile on the controller and switch between them on the fly with the Profile button. Use Xbox Wireless, Bluetooth or the included USB-C cable to play across your Xbox One and Windows 10 devices

## More ways to customise

Experience limitless customisation with the Xbox Accessories app. Utilise exclusive configuration options including deadzone adjustment and button mapping to voice commands such as “record that” or “take a screenshot”

## Designed for extended gameplay

Stay in the game for longer with up to 40 hours of rechargeable battery life and refined components that are built to last. Charge the controller either inside or outside the carrying case with the included USB-C cable and charging dock
