smooth motion in all viewing conditions.

Immersive Visuals and Powerful Processing

Enjoy spectacular HDR performance on this vibrant QLED panel. Coupled with the high Picture Performance Index (PPI) 3700 and Motion Clarity Pro technology, fast-moving action remains crisp and blur-free. Whether you are watching a high-octane film or enjoying standard content, the AiPQ processor ensures real-time optimization of color, contrast, and clarity.

- **55-Inch 4K UHD QLED Display:** Superior color volume and brightness (350 cd/m²) for true-to-life images.
- **HDR Support:** Enhanced brightness and detailed shadows in both light and dark scenes.
- **AiPQ Processor:** Intelligent optimization for picture quality, upscaling, and motion.
- **Motion Clarity Pro:** Ensures smooth action and reduced motion blur, even during intense activity.

Dedicated Gaming Prowess

For gamers, the TCL 55P8K is built for speed. Featuring a native 144Hz refresh rate, it offers ultra-smooth gameplay that reacts instantly to your input. Activate the 288Hz Game Accelerator feature for even faster, competitive edge performance, minimizing input lag and maximizing responsiveness. The quick 6.5 ms response time guarantees that you never miss a critical moment.

- **144Hz Native Refresh Rate:** Provides fluid, low-latency gaming and viewing.
- **288Hz Game Accelerator:** Boosted refresh rate for professional eSports performance.
- **Connectivity:** Equipped with 3 HDMI ports, perfect for connecting multiple consoles and devices.

Smart Entertainment with Premium Sound

Running on the intuitive Google TV platform, the 55P8K gives you instant access to thousands of streaming services and applications tailored to your preferences. Navigation is seamless, aided by built-in Wi-Fi, Ethernet, and Bluetooth connectivity. Complementing the stunning visuals is the integrated ONKYO 2.1 sound system, delivering clear, powerful, and immersive audio directly from the television.
