making every viewing session deeply immersive.

Pioneering Visual and Audio Performance

The TCL 85T69C leverages the powerful TCL AiPQ Processor, optimizing picture quality in real-time to enhance contrast, clarity, and motion smoothness. Experience cinematic quality with comprehensive High Dynamic Range (HDR) support, including industry leaders like Dolby Vision, HDR10+, and HLG. Coupled with immersive audio featuring 20W RMS power through 2.0 channels and support for Dolby Atmos and DTS Virtual:X, this TV creates a full, captivating home theater experience.

Smart Features Powered by Google TV

Navigating content has never been easier. Running on the intuitive Google TV operating system, this smart television offers instant access to your favorite streaming services, apps, and content recommendations. Built-in Wi-Fi (802.11ac) and Bluetooth 5.4 ensure seamless connectivity. Utilize voice control and easily connect with Google Assistant to manage your TV and smart home devices effortlessly.

Optimized for Next-Gen Gaming

Gamers will appreciate the inclusion of modern connectivity standards like HDMI 2.1, ensuring compatibility with the latest consoles. Features such as Game Bar and Game Master settings automatically optimize latency and response time, providing a smooth, competitive edge, all displayed beautifully on the native 60 Hz panel.
