XILENCE BREEZE
II X812.ARGB**

Modelis: XG181

Gamintojas: XILENCE

EAN: 4044953504228

Prekės kodas: 358002

70.99€

Experience the next generation of efficient cooling and stylish design with the XILENCE BREEZE II. As the successor to the popular Xilent Breeze, this midi tower case sets new standards in terms of airflow and userfriendliness. The elegant wave front panel with mesh not only provides an outstanding look, but also enables optimum air circulation to keep the hardware cool at all times. Equipped with three ARGB fans at the front and a black PWM fan at the rear, the XILENCE BREEZE II not only offers impressive lighting effects, but also powerful and flexible cooling. The front panel can also be easily removed to allow easy access to the fans and filters. Thanks to its sturdy construction and user-friendly interior design, installing the hardware is child's play. The XILENCE BREEZE II
