EAN: 4044953504075

Prekės kodas: 358004

122.98€

Xilence Xilent Gleam - Brilliant aesthetics, limitless power, gaming experience in new splendor! This case combines innovative functionality with an appealing design in black and white in ARGB aquarium style, which gives the gaming setup a unique shine.

ARGB aquarium style: The Xilent Gleam case features front and side panels made of high-quality transparent glass. The glowing ARGB fans inside provide a powerful visual display that transforms the gaming rig into a work of art.

Large interior: With plenty of space, the case is ideal for powerful components such as large graphics cards, water coolers and power supplies.

Versatile cooling options: Despite the glass front panel, the case ensures efficient airflow so that the system remains quiet and cool even under high loads. Water cooling and housing fans can also be mounted on the side.

Aesthetic design: The Xilent Gleam enclosure not only impresses with its performance, but also with its aesthetic appearance. The clear lines and sophisticated design are not only eye-catching, but also enable effortless cable management. It is also suitable for mainboards with connections on the rear.

Integrated graphics card holder: Keeps the graphics card safe and stable to prevent potential damage. The integrated graphics card holder contributes to the long-term stability of the system and supports the horizontal and vertical mounting of the graphics card. In addition, a 12cm PWM fan (incl. bracket) is installed to cool the GPU.

The perfect choice for gaming: The Xilence Xilent Gleam case is the perfect choice for gaming, offering a combination of performance, style and functionality for an optimal gaming experience.
