MEMORY DRIVE FLASH USB-C/512GB SDCZ890-512G-G46 SANDISK

Modelis: SDCZ890-512G-G46

Gamintojas: SANDISK

EAN: 619659202590

Prekės kodas: 358030

122.98€

High-performance storage for every part of your life.

Whether you're a professional managing vast amounts of data or a savvy tech-fanatic storing precious memories, the SanDisk Extreme PRO® Flash Drive with USB-C® offers unmatched speed, capacity, and reliability. With capacities up to 2TB, read speeds up to 1000MB/s, and write speeds up to 900MB/s, it's designed to elevate your data management. With USB 3.2 Gen 2 speeds, you can transfer 200x faster than standard USB 2.0 drives. The premium metal design and keyring hole ensure on-the-go convenience, matching your high-paced lifestyle and workflow demands. This storage solution frees you from the limitations of personal devices without sacrificing time, making it ideal for both work and home use.

Data without Delay

Whether handling 4K home videos or complex project files, transfer data with lightning fast USB 3.2 Gen 2 performances of up to 1000MB/s read and 900MB/s write speeds.

Expand your Digital World

Expand your local storage by up to 2TB – granting you ample space for downloading, saving, and accessing massive file sizes without a hitch.

Cross-device Connectivity

Work fluidly and share files online or offline across your devices with a universal USB Type-C connector that's compatible with your smartphone, tablet, and computer.

Seamless Backup

Effortlessly connect with the SanDisk app for a seamless auto-backup experience to help ensure that your critical data is safely stored and protected.

Effortlessly restore deleted files

Accidentally deleted important files? Help to recover them easily with the included RescuePRO Deluxe data recovery software.

Premium Design

Designed with performance and style in mind – built with a premium metal design and a keyring hole to make portability easy for an on-the-go working professional.
