Discover a new way to watch with the Portable Smart Projector Vega — the compact, lightweight projector designed to go wherever you do. Whether you're cosy indoors or enjoying an open-air evening on your terrace, Vega turns any space into your personal cinema.

Vega projects stunning visuals up to 100 inches, transforming any wall or surface into a vibrant big screen. Stream your favourite movies, share photos, or play games with crisp, clear picture quality.

Automatic Keystone Correction and Auto Focus ensure a perfectly aligned and sharp image, even when the projector isn't positioned dead centre. Setup is quick and seamless, so you can start watching without any hassle.

Not only powerful but also highly portable, Vega's built-in battery delivers up to 120 minutes of runtime in EcoMode. Its compact design makes it easy to carry from room to room or pack for weekend trips — always ready when you are.

The included adjustable bracket lets you effortlessly set the perfect angle and height for your projection, whether on a wall or ceiling, without needing tools or extra stands. Plus, the transport hardcase protects your projector from bumps and scratches while on the move.

With Google TV built in, you get seamless access to all your favourite streaming apps and services through an intuitive interface. The smart remote features a dedicated Google Assistant button, so you can quickly search for content, adjust settings, or control your smart home devices—all with the press of a button.

Vega combines portability, smart technology, and impressive image quality to deliver versatile entertainment anytime, anywhere.
