

PROJECTOR 600 LUMENS/PG55B THOMSON

Modelis: PG55B

Gamintojas: THOMSON

EAN: 9120106662672

Prekės kodas: 358044

559.99€

The SIRIUS smart projector is designed for modern living – compact in form, powerful in performance. With ultra-short-throw technology, it projects a stunning 100-inch image from just 40 cm away, delivering a cinematic experience in any room of your home.

Thanks to up to 90 minutes of cordless battery life, the SIRIUS gives you the freedom to take your entertainment wherever you want. Move from the living room to the bedroom or kitchen – no power outlet required. It's big-screen entertainment with total flexibility.

SIRIUS comes with Google TV, providing seamless access to all your favourite streaming services and apps in one simple, intuitive interface. From blockbuster movies and popular series to live sports and YouTube, everything you love is just a few clicks away.

With a brightness rating of 600 ANSI lumens, the SIRIUS ensures your visuals are bright, sharp, and vibrant, enhancing every scene for an engaging and immersive viewing experience.

Enjoy crystal-clear, immersive audio with Dolby Audio. From quiet conversations to dramatic soundtracks, every detail comes through with depth and clarity – no external sound system needed.

Controlling your entertainment is effortless with the smart remote. With the dedicated Google Assistant button, you can search for content, adjust settings, or control smart home devices using your voice. It's intuitive control at the press of a button – simple, fast, and perfectly integrated into your everyday viewing experience.

Automatic Keystone Correction and Auto Focus ensure a perfectly aligned and sharp image, even when the projector isn't positioned dead center. Setup is quick and seamless, so you can start watching without any hassle.

The SIRIUS is ideal for homes where space is limited but expectations are high. Stylish, flexible, and packed with smart features, it's the perfect choice for anyone who wants immersive entertainment without the bulk of a traditional TV or projector setup.
