

Smartphone POCO F8 Ultra 5G (Snapdragon 8 Elite Gen 5, 12GB RAM, 256GB, Denim Blue)

Modelis: MZB0M5FEU

Gamintojas: POCO

EAN: 6932554474454

Prekės kodas: 358054

821.99€

POCO F8 Ultra 5G: UltraPower Performance and Flagship Innovation

The POCO F8 Ultra redefines high-performance mobility, engineered for the most demanding users and professional gamers. Powered by the next-generation Snapdragon 8 Elite Gen 5 chipset, this device combines raw processing power with revolutionary cooling, stunning photography

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

capabilities, and ultra-fast charging to deliver an unparalleled mobile experience.

Ultimate Performance: Snapdragon 8 Elite Gen 5

Experience an enormous leap in speed and efficiency thanks to the brand-new flagship Snapdragon 8 Elite Gen 5 chipset, built on a cutting-edge 3nm process. This All-Big-Core CPU architecture effortlessly handles intense gaming and high-load scenarios while maintaining exceptional energy efficiency.

- **WildBoost Optimisation:** Predicts per-frame computing demand to proactively prevent frame drops, ensuring high, stable frame rates and lower power consumption during heavy-load gaming.
- **Advanced Cooling:** The innovative 6700mm² 3D dual-channel, dual-layer IceLoop system targets key heat sources (SoC and camera) to maintain sustained peak performance and optimize thermal transfer away from the grip area.
- **Ultrasmooth Gaming:** Stability is guaranteed even in the worst performance moments, delivering a higher 1% low frame rate metric for a consistently steady gaming experience.

Professional-Grade Photography and AI

Capture the world with exceptional clarity using the versatile 50MP triple camera system, featuring the Light Fusion 950 image sensor with a 13.5EV high dynamic range. Whether shooting in complex lighting or capturing distant subjects, the F8 Ultra provides precise detail and stunning visuals.

- **5x Periscope Telephoto Lens:** Adopted for the first time in this series, coupled with Optical Image Stabilisation (OIS), it captures distant scenes and close-up details with incredible clarity and minimal distortion.
- **50MP Ultra-Wide Lens:** Delivers a spectacular field of view for capturing vast landscapes and striking visual impact.
- **32MP Front Camera:** Intelligent 0.8x ultra-wide switching ensures everyone fits into group selfies easily.
- **AI Creativity Assistant:** Leverage Xiaomi HyperAI, customized by Google, for creative possibilities including image generation, AI Beautify, and advanced AI Cutouts with subject recognition and background inpainting.

www.shopro.lt | info@shopro.lt | +370 693 39903

UltraPower Display and Security

The F8 Ultra features an immersive 6.9-inch POCO HyperRGB AMOLED display, comparable to 2K clarity, designed with the slimmest bezels ever on a POCO device (1.68mm bottom bezel). The global debut M10 display panel enhances luminous efficiency while reducing power consumption.

- **Stunning Brightness:** Achieves 3,500 nits peak brightness for clear visibility even under direct sunlight.
- **Next-Gen Security:** Features an Ultrasonic fingerprint sensor that supports press-and-slide enrollment, offering faster unlocking speed and wet hand unlocking capability.
- **All-Round Eye Care:** Includes All-day DC dimming, 1 nit minimum brightness, and Circular polarisation technology 2.0 to minimize eye fatigue during extended use.

Massive Battery and HyperCharge

Equipped with the largest capacity battery in the POCO F series, the 6500mAh silicon-carbon dual-cell battery offers long-lasting performance and longevity, retaining $\geq 80\%$ capacity after 1,600 cycles.

- **100W Wired HyperCharge:** Achieve ultrafast charging efficiency and safety via the USB Type-C port, also supporting 100W PPS universal charging protocols.
- **50W Wireless HyperCharge:** Convenient and fast wireless power replenishment.
- **22.5W Reverse Charging:** Industry-leading reverse charging efficiency allows you to rapidly share power with other devices.

Durability, Audio, and Connectivity

Built with premium materials, including a high-strength aluminum alloy frame and POCO Shield Glass, the F8 Ultra is designed for durability and protection.

- **IP68 Rating:** Provides top-notch resistance against dust and water.
- **Sound by Bose Co-tuning:** Experience a revolutionary mobile audio experience through symmetrical stereo speakers and an ultra-large 1620 independent subwoofer, creating a 2.1-channel audio system for rich bass and immersive soundstage.

- **Advanced Connectivity:** Featuring Dual-chip signal enhancement (Xiaomi Surge T1S + Xiaomi Surge T1+) for optimized Wi-Fi 7, Bluetooth 6.0, GPS, and cellular signals, alongside support for Xiaomi Offline Communication over distance.

POCO is a highly recognized global brand known for delivering high-performance flagship technology at competitive prices. The F-series lineup consistently pushes boundaries, bringing top-tier specs and innovative features, like HyperCharge and advanced cooling, to power-users worldwide.

Order the new POCO F8 Ultra today from ++SHOP++ and step into the future of mobile performance.

UltraPower performance

Snapdragon® 8 Elite Gen 5

Huge leap in performance

Introducing the brand-new flagship chipset, engineered with the cutting-edge 3nm process. With an All-Big-Core CPU architecture, it effortlessly powers through high-load scenarios with exceptional energy efficiency.

VisionBoost D8 chipset

Equipped with a GEX module, POCO F8 Ultra features dedicated graphics boost chipset leverages pre-trained AI models to dramatically enhance image details and deliver high-quality graphics. With advanced motion interpolation technology, dynamic scenes appear smoother and more fluid than ever.

WildBoost Optimisation

Frame recovery in heavy-load scenario

Predicts per-frame computing demand within each frame generation cycle, enabling proactive intervention to prevent frame drops. This ensures higher, more stable frame rates and lower power consumption even under heavy-load gaming.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. www.shopro.lt | info@shopro.lt | +370 693 39903

Ultrasmooth gaming experience

1% Low Frame Rates

Stability is our UltraPower. The 1% low frame rate metric represents the worst moments during performance drops. We deliver a higher 1% low frame rate experience, providing a steadier gaming experience even in heavy-load scenarios.

LiquidCool Technology

6700mm² 3D dual-channel, dual-layer IceLoop system

The POCO F8 Ultra features the innovative 3D dual-channel, dual-layer IceLoop cooling system. With an ultra-large surface area that effectively targets key heat sources and an enhanced volume, it ensures sustained peak performance. The dual-channel design delivers powerful cooling for both the SoC and the camera module, effectively managing the thermal output of these critical heat sources.

User-oriented thermal conductivity structure

Optimize heat transfer pathways to redirect thermal flow away from the grip zone, minimizing heat transmission to the hand.

Intelligent temperature control

Real-time multi-surface temperature monitoring enables precise zoned temperature control.

UltraPower battery

Massive 6500mAh (typ) battery

Long-lasting battery life for great peace of mind

POCO F8 Ultra is powered by a high-energy-density silicon-carbon dual-cell battery, delivering the largest battery capacity in the POCO F series. The battery retains $\geq 80\%$ of its capacity even after 1,600 charge cycles, ensuring your prolonged use.

100W Wired HyperCharge

50W wireless HyperCharge

POCO F8 Ultra features ultrafast charging that ensures both efficiency and safety. Stay powered anytime you want.

POCO F8 Ultra also supports 100W PPS universal charging protocol bringing broad compatibility with various fast chargers.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. www.shopro.lt | info@shopro.lt | +370 693 39903

Up to 22.5W wired reverse charging

Powerful battery ready to share

22.5W reverse charging delivers industry-leading efficiency. Share your powerful battery with friends and rapidly charge other devices.

Smart charging

Enjoy a smooth and stable experience

Smart charging is designed to control phone temperature in charging status, ensuring a smooth and stable experience, by intelligently adjusting charging speed — considering battery level, temperature, and app usage — and power distribution between the system and the battery.

UltraPower photography

Light Fusion 950 image sensor

Versatile ultra-dynamic light sensor

Featuring the Light Fusion 950 image sensor, the POCO F8 Ultra delivers a 13.5EV high dynamic range. With extraordinary light-capturing capability, it handles complex lighting with ease — from low-light scenes to strong backlighting and sharp contrasts — precisely capturing every detail in light and shadow.

Pro-grade optics

Engineered for pure, clear imaging

The new hardware-level G+P lens module and Precise multi-coating process effectively minimise lens flare, ghosting, and haze, resulting in cleaner visuals.

5x periscope telephoto lens

Beauty brought within reach

For the first time, the POCO F8 Ultra adopts a 5x periscope telephoto lens. Coupled with OIS (Optical Image Stabilisation), it captures the distant beauty like it's right in front of you.

One telephoto lens that does it all

From close-ups to distant scenes

Close-up shooting

Ideal for capturing fine details, with lower distortion and enhanced sharpness.

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. www.shopro.lt | info@shopro.lt | +370 693 39903

Capture instantly

Ideal for capturing dynamic moments with perfect clarity and precision, with almost zero-lag snapshot capability within the 5x to 10x range

50MP ultra-wide lens

Delivering a spectacular field of view

The flagship ultra-wide-angle lens offers an exceptionally broad field of view, providing greater creative space for more striking visual impact. Capture the grandeur of vast landscapes in a single shot.

32MP front camera

Group selfies made easier

When the camera detects two people, it intelligently switches to a 0.8x ultra-wide angle to fit everyone into the frame.

Dynamic shots

One stop creative experience

Capture 1440P ultra-clear dynamic shots with EIS stabilization and HDR enhancement, delivering smoother, more vibrant visuals with outstanding clarity. You can also create dynamic photo collages or convert videos into dynamic shots for extra creative fun.

AI Creativity Assistant

Xiaomi HyperAI is always ready to provide you with creative possibilities that fuel your inspiration.

AI Beautify

Auto-adjust key settings like exposure, saturation and contrast to beautify your photos.

AI Cutouts

Supports AI cutouts with subject recognition, movement, and background inpainting.

UltraPower display

Ultraslim bezels

Enjoy immersive visuals

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

www.shopro.lt | info@shopro.lt | +370 693 39903

The ultra-large 6.9" display features a remarkably slim 1.68mm bottom bezel—POCO's narrowest ever—with the three side bezels different from the bottom by only 0.18mm. This creates a near quad-equal bezel design that offers an expanded field of view and a more immersive visual experience.

POCO HyperRGB display

Comparable to 2K image clarity

POCO HyperRGB display adopts a full RGB subpixel structure, making full use of red, green, and blue subpixels. It delivers a sharp and accurately colored visual experience comparable to 2K, while reducing power consumption by 19.5% compared with the previous generation.

Global debut M10 display panel

Delicately stunning

The M10 display panel consists of brand-new red luminous material, significantly improving luminous efficiency by 11.4%, and further reducing power consumption. Even under bright outdoor sunlight, the display remains vivid and clear.

Ultrasonic fingerprint sensor

For the first time, POCO F8 Ultra comes with press-and-slide fingerprint enrolment, reducing enrolment time by 83%. With its more ergonomic unlocking position, quicker unlocking speed, and support for wet hand unlocking, it delivers a next-gen unlocking experience.

All-round eye care

Keep eye fatigue away

All-day DC dimming consistently delivers smooth visuals without the invisible flicker that typically causes eye fatigue. By optimising its eye care approaches, POCO F8 Ultra brings you a comfortable viewing experience across multiple scenarios during extended use.

1 nit minimum brightness

The display supports a minimum brightness of 1 nit, making gaming or watching videos in low-light environments easier on the eyes and more comfortable.

Circular polarisation technology 2.0

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

www.shopro.lt | info@shopro.lt | +370 693 39903

Light from the screen is closer to natural light, bringing comfort and care to your eyes. It exhibits less colour shift at different angles with more uniform colours and brightness.

3,500 nits ultrabright display

Super sunlight display

POCO F8 Ultra achieves 3,500 nits peak brightness covering 25% of the screen area when used outdoors under direct sunlight, presenting more visual detail.

UltraPower design

Third-generation Nano-tech material

Stylish and eye-catching

Engineered with an upgraded formula and process for enhanced durability and stain resistance. Made from natural silicon ore and manufactured without harmful solvents, it represents a more eco-conscious choice.

Glass Fiber

Slim, lightweight, and highly durable

With glass fiber back cover, the body is lighter and thinner, yet ultra-durable and crack-resistant.

High-strength frame

Strong like a shield

Fortified with aluminium alloy

The mid-frame, camera deco, and lens bezel are all made with high-strength aluminium alloy for exceptional durability.

POCO Shield Glass

Ultra-durable Shield Glass, engineered to withstand scratches and impacts.

IP68

Top-notch dust and water resistance

The exceptional dust and water resistance make incidents easy to handle.

UltraPower audio experience

Sound by Bose Co-tuning

Revolutionary mobile audio experience

When Bose's six decades of acoustic expertise and Sound by Bose technology combine with POCO's advanced engineering, we have overcome the inherent constraints of compact smartphone design. For the first time in a mobile audio device, users can experience rich bass, detailed sound, clear vocals, and an immersive soundstage—delivering a truly revolutionary mobile audio experience.

Symmetrical stereo speakers

Independent subwoofer

Dual 1115F symmetrical stereo speakers work in harmony with an ultra-large 1620 independent subwoofer to create a 2.1-channel audio system, delivering a more stable sound image, deeper bass, and a wider soundstage. Users can experience deep bass, rich details and immersive soundstage.

Xiaomi Astral Communication

Xiaomi Surge T1S + Xiaomi Surge T1+

Dual-chip signal enhancement

Powered by Xiaomi Surge T1S and Xiaomi Surge T1+ tuner chipsets, POCO F8 Ultra optimizes Wi-Fi, Bluetooth, GPS and cellular signals for smoother, smarter connectivity.

Xiaomi Offline Communication

Pushing the boundaries of connectivity

Even without network connection, you can still make voice calls over one kilometer, staying seamlessly connected anytime.

Embrace the multi-modal AI ecosystem

Unleash your creativity with the AI assistant powered and customized by Google. It integrates Xiaomi's cutting-edge multi-modal processing technology capable of handling text, voice and images.

Chat with Gemini, a truly helpful personal AI assistant from Google, to supercharge your ideas.
