TEMPERED GLASS SIDE PANEL

Built with 4mm tempered glass on the side panel, which adds a filter to the internal RGB lighting device, making your PC parts a stunning showpiece. The non-drilled glass design effectively reduces the risk of fragmentation, allowing users to remove it with ease and safety, also extending the product lifespan.

I/O PANEL

Equipped with two USB 3.0 ports, audio ports, a reset button and a power button.

DETACHABLE MAGNETIC FRONT PANEL

The front panel features a magnetic design, enabling gamers to effortlessly remove it for device replacement and routine cleaning.

PSU SHROUD DESIGN

Enjoy a clean look by hiding the PSU and those messy power cables inside the PSU shroud, while separating the PSU heat from the rest of the internal system. With the window design on the left side of the shroud, users can show off the cool outlook of PSU.

DETACHABLE DUST FILTER

The filters keep your PC from accumulating dust, while maintaining optimal cooling performance. The magnetic filter of top and right-side panels, along with the removable filter at the bottom, make maintenance easy.

- Optimized Airflow Design
- Full-Size Tempered Glass Side Panel
- With USB 3.0 x2 on I/O panel
- Up to 360mm Liquid Cooling Compatible
- Detachable Dust Filter
- Pre-installed two 120mm fans

Summary: GIGABYTE C102 GLASS. Form factor: Midi Tower, Type: PC, Product colour: White. Power supply location: Bottom, Supported power supply form factors: ATX. Front fans installed: 1x 120 mm, Front fans diameters supported: 120,140 mm, Side fans diameters supported: 120 mm. Supported HDD sizes: 2.5,3.5", SSD form factor: 2.5". Width: 210 mm, Depth: 450 mm, Height: 450 mm |
