AOC 27B3CF2 27-inch FHD IPS Monitor with USB-C 65W Connectivity

The AOC B3 series 27B3CF2 monitor is designed to optimize your workspace and ensure comfortable, long-term viewing, making it ideal for professionals and students alike. This expansive 27-inch display features a vibrant Full HD (1920x1080) IPS panel, guaranteeing excellent color fidelity and ultra-wide 178-degree viewing angles, ensuring consistency from almost any perspective.

The standout feature is the versatile USB-C 3.2 connectivity, which simplifies your setup by handling video signal, data transfer, and 65W power delivery all through a single cable, keeping your workspace clean and your laptop charged simultaneously. With a smooth 100 Hz refresh rate and Adaptive Sync technology, visuals remain fluid and tear-free, whether you are tackling spreadsheets or enjoying multimedia content.

Key Features for Productivity and Comfort:

- **27-inch IPS Panel:** Delivers vivid visuals, true-to-life colors, and wide 178° viewing angles, perfect for detailed work.
- **Integrated USB-C Hub:** Offers up to 65W Power Delivery (PD) to charge compatible devices, along with DisplayPort Alt Mode for video and high-speed data transfer via a single USB-C cable.
- **100 Hz Refresh Rate:** Provides smoother motion than standard 60 Hz monitors, reducing eye strain during extended use.
- **Ergonomic Height Adjustment:** The robust stand allows you to customize the height according to your preferences, achieving the perfect viewing angle and reducing neck strain.
- **Adaptive Sync Support:** Synchronizes the monitor's refresh rate with your graphics card, eliminating screen tearing and stuttering.
- **Multiple Connectivity Options:** Includes 1 x HDMI 1.4 port and VESA 100x100 mounting compatibility.
- **Built-in Speakers:** Integrated audio allows for clear sound without the need for external desktop speakers.

AOC (Admiral Overseas Corporation) is a globally recognized manufacturer specializing in high-performance displays and monitor technology, known for blending sophisticated design with reliable features essential for modern computing environments.

Compact brilliance with USB-C connectivity and Height-Adjustable Stands for enhanced productivity

Introducing the newest addition to the B3 line– a brilliant 27-inch display featuring an IPS panel for

breathtaking visuals and true-to-life colors. If you're looking for something larger than 23.8 inches, the 27B3CF2 is the ideal choice. With USB-C implementation, video signal, power delivery and data transfer are possible at the same time. The monitor boasts the same features as the 24B3CF2, which means it provides height-adjustable stands, seamlessly integrating ergonomic features into your workspace. With the ability to customize the height according to your preferences, you can achieve the perfect viewing angle, reducing strain on your neck and eyes during extended work or studying sessions. Whether you're working or studying, enjoy a more comfortable and enjoyable viewing experience with the expansive screen size of the 27B3CF2.
