video conferences, or multitasking between demanding applications, the ThinkBook 14 G7 handles every task with ease.

High-Quality Visuals and Ergonomics

Equipped with a 14-inch WUXGA (1920 x 1200) IPS display, the ThinkBook 14 G7 offers more vertical screen space than traditional 16:9 displays, making it ideal for reading documents and coding. The anti-glare coating and 300 nits brightness ensure comfortable viewing in various lighting conditions. For input, the laptop features an ergonomic, spill-resistant backlit keyboard that provides a superior typing experience, even during late-night work sessions.

Performance and Connectivity

Powered by the AMD Ryzen 5 7535HS processor and 16GB of superfast DDR5 memory, this laptop ensures seamless multitasking and responsive system performance. The 256GB NVMe SSD provides quick boot times and rapid data access. Stay connected with the latest Wi-Fi 6E technology and Bluetooth 5.3, while the integrated FHD IR camera with a privacy shutter ensures secure and crystal-clear video calls.

Key Features:

- AMD Ryzen 5 7535HS processor with 6 cores for high-performance computing.
- 14-inch WUXGA (1920 x 1200) IPS anti-glare display for sharp visuals.
- 16GB DDR5 RAM for efficient multitasking and future-proofing.
- Windows 11 Pro pre-installed for advanced security and management features.
- Lightweight design at just 1.38 kg, perfect for travel.
- Advanced thermal design for quiet and cool operation under load.

Lenovo is a global leader in the PC market, renowned for creating innovative, reliable, and high-quality technology solutions that empower businesses and individuals worldwide.

Order today from ++SHOP++ as we offer the best prices and fast delivery for all your professional computing needs.
