The Hammer Iron 6 is engineered for those who demand uncompromising performance and durability in the harshest environments. Combining military-grade ruggedness (implied by 'Iron') with cutting-edge technology, this smartphone is built to withstand drops, dust, and water. With its robust internal components and massive battery life, the Iron 6 ensures you stay connected and productive wherever your work or adventure takes you.

Unmatched Power and Endurance

Equipped with an immense 6050 mAh battery, the Hammer Iron 6 delivers exceptional autonomy, allowing you to use your device for extended periods without needing a recharge. Paired with an efficient Mediatek processor and a generous 6 GB of RAM, the phone handles demanding applications and multitasking smoothly. The large 128 GB internal storage provides ample space for all your applications, media, and essential documents.

- **Powerful Battery:** 6050 mAh capacity for days of reliable use.
- **Fast Performance:** Mediatek processor complemented by 6 GB internal RAM.
- **Ample Storage:** 128 GB internal storage ensures all files are kept secure.
- **Modern OS:** Runs smoothly on the latest Android 14 operating system.
- **Connectivity:** Dual SIM capability with 4G network support.

Capture and View Clearly

The Iron 6 features a sharp 6.56-inch IPS display, offering vibrant colors and wide viewing angles even in difficult lighting conditions. Capturing high-quality images is effortless thanks to the powerful 48 MP main camera resolution, allowing you to document your work or adventures in stunning detail. Whether you are on a construction site or hiking off-grid, the visual clarity and robust camera system keep you prepared.

Key Features Summary:

- **Screen Size:** 6.56 inches IPS display (1612 x 720 pixels HD+ resolution).
- **Main Camera:** High-resolution 48 MP sensor.
- **Operating System:** Android 14.
- **Memory Configuration:** 6 GB RAM and 128 GB Storage.
- **SIM Type:** Dual SIM (4G).
