The Dell Pro 14 PC14250 laptop, finished in sleek Magnetite black, is engineered for modern professionals who demand high performance without sacrificing portability. Weighing just 1.36 kg and featuring a compact 14-inch design, this notebook is ideal for hybrid work environments and frequent travel, ensuring you stay productive wherever your work takes you.

Powered by the efficient Intel Core 5 120U processor and 16 GB of lightning-fast DDR5 RAM, the Pro 14 handles multitasking, complex applications, and demanding workloads with ease. The 512 GB Solid State Drive (SSD) provides ample storage and ensures rapid boot times and quick data access, significantly enhancing workflow efficiency.

Visual Excellence and Security

Experience superior visuals on the 14-inch Full HD+ (1920 x 1200) display. The anti-glare panel minimizes reflections, allowing for comfortable viewing even under bright office lights or outdoors. Furthermore, the laptop comes pre-installed with Windows 11 Pro, offering advanced security features and management capabilities crucial for modern businesses.

Key Specifications and Features:

- Processor: Efficient Intel Core 5 120U ensures smooth performance.
- Memory and Storage: 16 GB DDR5 RAM paired with a swift 512 GB SSD.
- Display: 14-inch FHD+ (1920 x 1200) anti-glare screen for comfortable viewing.
- Operating System: Windows 11 Pro for enhanced security and productivity tools.
- Connectivity: Integrated Wi-Fi 6E (802.11ax) and Bluetooth 5.3 for robust wireless connections.
- Ergonomics: English language keyboard with backlighting for use in low-light conditions.
- Portability: Lightweight design starting at 1.36 kg.

Built for Reliability

The Dell Pro 14 PC14250 is backed by a substantial 36-month product warranty, reflecting Dell's commitment to quality and reliability in the professional market.

DELL is a world-renowned technology corporation recognized for manufacturing dependable and innovative personal computers, servers, and related hardware solutions tailored for both consumer and enterprise use.
