## Unmatched Picture and Sound Quality

- **Pixel Precise Ultra HD:** Experience precision that goes beyond the imaginable, ensuring every scene is filled with realistic details and superior sharpness.
- **HDR10+ Support:** Unleash colour and contrast with HDR10+. This technology refines image quality frame by frame, making the darkest shadows and brightest highlights clearer and more defined.
- **Dolby Atmos and DTS:X Audio:** Surround yourself in sound just as the director intended. Dolby Atmos creates incredible depth, while DTS:X offers true 3D sound experiences for total immersion.
- **Vocal Boost Clarity:** Never miss a word. Vocal Boost allows you to adjust dialogue volume independently of background noise, ensuring spoken sentences are always clear.

## Smart Connectivity and Entertainment

Powered by the lightning-fast Titan OS platform, this Philips Smart TV brings all your favourite streaming apps, sequels, and series right to your fingertips. Finding and accessing the content you love is quick and effortless.

- **Titan OS Smart Platform:** Easily access all the best streaming services and content with a user-friendly interface.
- **Seamless Smart Home Integration:** With Matter Smart Home compatibility, you can control your TV using the Matter app or voice control via Alexa-enabled devices and Google smart speakers. The TV also supports Apple AirPlay.
- **Game Ready Performance:** Built for the next generation of entertainment, the 55PUS7000/12 features HDMI 2.1 functionality and Variable Refresh Rate (VRR) for smoother, faster gameplay. The low-input-lag setting activates automatically when you power on your console, optimizing your gaming session immediately.

## Design and Sustainability

The 7000 Series boasts a sophisticated European design featuring an almost frameless screen and a robust edge stand, ensuring it blends seamlessly into any modern living space. Philips demonstrates sustainable thinking through the use of recycled plastic in the remote control and FSC-certified recycled packaging materials.

**PHILIPS** is a globally recognized technology leader dedicated to improving people's lives through meaningful innovation, focusing on consumer electronics known for high quality and user-centric design.

Order today from ++SHOP++ as we offer the best deals and reliable delivery services for your new Philips TV.

### **Vivid moments. Sharper scenes.**

Zoom in. Lose yourself in the detail. This is precision that goes beyond the imaginable. With a Pixel Precise Ultra HD screen for sharpness and lifelike detail, it fills each moment with breathtaking experiences.

### **Surround yourself in Dolby Atmos and DTS:X**

With Dolby Atmos for sound just as the director intended and DTS:X to create 3D sound experiences, it's as if you're really there. Adding this extra dimension to sound brings a more immersive experience to your home.

### **Titan OS. Find it easily.**

The Philips Smart TV Titan OS platform brings what you love to watch, and fast. From sequels to series and documentaries to drama, everything you want is there at the touch of a button. Whatever you're looking to watch, keep all the best streaming apps easily within your reach.

### **Connect seamlessly to smart home networks**

Matter Smart Home compatibility means you can control your TV via the Matter Smart Home app or voice control your TV via Alexa-enabled devices or via your Google smart speakers. This way, your voice can find films, shows, receive recommendations and so much more. The TV is compatible with Alexa-enabled devices and Apple AirPlay too.

### **Every size to fit your needs**

Go big. Go small. Go for a television that blends in perfectly with your needs. From small-screen 43" right up to a gargantuan 75" TV, size up the incredible 7000 Series for the smarter choice in TV.

### **Colour and contrast unleashed with HDR10+**

Expect more detail. Frame by frame improved picture quality. With greater emphasis on colour and contrast, this is where even the darkest moments and the brightest scenes are made clearer.

### **Add clarity to each word with Vocal Boost**

Hear each word clearly. Vocal Boost enables the listener to turn the dialogue volume up or down without any effect on the background sound. You won't miss a single moment now that each spoken sentence comes across with greater clarity.

### **Game ready connectivity**

HDMI 2.1 and VRR help you get the best from your console with faster gameplay and smoother graphics. With its low-input-lag setting that cuts in automatically when you turn on your console, you're all set for the next level in gaming.

### **European design, sustainable thinking**

With carefully considered design comes an almost frameless screen, an edge stand and a remote made from recycled plastic. Quick, easy-to-find content thanks to Titan OS. Each tiny detail is carefully considered, right down to the recycled FSC-certified packaging and guide that comes with it.
