TCL 50T69C QLED 4K UHD Smart TV (50", 144Hz)

Experience breathtaking visual clarity and smooth performance with the TCL 50T69C QLED 4K UHD Smart TV. Featuring a vibrant 50-inch display, this television utilizes advanced Quantum Dot (QLED) technology to deliver over a billion colors and exceptional brightness, making every scene vivid and lifelike. The 4K Ultra HD resolution ensures razor-sharp detail, transforming your viewing experience whether you are streaming movies or enjoying the latest games.

Designed for speed enthusiasts and serious gamers, the 50T69C boasts an impressive 144Hz native refresh rate. This high refresh rate eliminates motion blur and stuttering, providing an ultra-smooth picture crucial for fast-paced action and responsive gameplay. As a full-featured Smart TV, it provides easy access to all your favorite streaming services, powered by a robust operating system
