black levels, and spectacularly vibrant 4K Ultra HD resolution (3840 x 2160). Coupled with the patented 3-sided Ambilight system, which dynamically projects the colors on screen onto the surrounding walls, your viewing experience becomes more immersive and less straining on the eyes.

Key Features of the Philips 55OLED770:

- **OLED Technology:** Enjoy breathtaking picture quality where every pixel generates its own light, resulting in infinite contrast and truer colors.
- **4K Ultra HD Resolution:** Crisp 3840 x 2160 resolution ensures every detail is rendered with stunning clarity.
- **3-Sided Ambilight:** Philips unique ambient lighting system visually expands the screen and enhances immersion, making movies and gaming feel more epic.
- **Smart TITAN OS:** Navigate easily through your favorite streaming services and apps with the fast and intuitive TITAN OS smart TV platform.
- **Advanced Connectivity:** Equipped with integrated Wi-Fi and Ethernet LAN for seamless streaming, and supporting all major digital signal formats (DVB-C, DVB-S, DVB-S2, DVB-T, DVB-T2).
- **Elegant Design:** Sleek, modern flat screen design in a stylish grey/black finish that complements any interior.

The 55OLED770/12 is designed not only for spectacular visuals but also for smart integration into your home ecosystem, providing smooth performance whether you are watching a film or gaming.

PHILIPS is a globally recognized technology leader renowned for pioneering innovations in home electronics, particularly its award-winning display technology and the revolutionary Ambilight system. Their commitment to quality ensures a superior entertainment experience.
