The Hammer Iron 6 is engineered for resilience, combining extreme durability with cutting-edge performance. Designed to withstand the toughest environments, this rugged smartphone ensures reliable connectivity and powerful processing wherever your adventure takes you. Perfect for construction workers, outdoor enthusiasts, and anyone needing a device that won't quit.

Unmatched Performance and Connectivity

Equipped with the advanced Mediatek Dimensity 6300 chipset, the Hammer Iron 6 provides smooth, fast performance and next-generation 5G connectivity. Enjoy blazing-fast downloads, seamless streaming, and quick access to data, backed by 6 GB of internal RAM for effortless multitasking. With 128 GB of internal storage, expandable via microSD, you have plenty of room for apps, photos, and critical documents.

Key Specifications:

- **Display:** Large 6.56-inch IPS screen with 1612 x 720 pixels (HD+) resolution, offering clear visuals even in bright conditions.
- **Powerhouse Battery:** A massive 6050 mAh battery capacity ensures extended usage time, minimizing the need for frequent charging, ideal for long workdays or expeditions.
- **Photography:** Capture stunning details with the high-resolution 64 MP main camera, ready to document your environment or work site with clarity.
- **Operating System:** Runs on the latest Android 15 operating system, providing the newest features and enhanced security updates.
- **SIM Configuration:** Dual SIM capability, allowing you to manage professional and personal contacts efficiently using 4G and 5G networks.

Designed for Extreme Conditions

As part of the renowned Hammer Iron series, this device is built tough. While maintaining a large 6.56-inch display for excellent viewing, its reinforced construction protects against drops, dust, and water. The black finish adds a sleek, professional look to its robust design.

HAMMER specializes in creating tough, reliable mobile devices designed to operate under the most challenging conditions. Known for their focus on durability and long battery life, Hammer smartphones are the preferred choice for those who demand resilience from their technology.
