The Hammer Ranger Black/Green is engineered for those who demand uncompromising durability and performance in challenging environments. Combining rugged construction with modern smartphone technology, this device ensures reliability whether you are on a construction site, hiking a difficult trail, or simply need a phone that can withstand daily impacts.

Unrivaled Performance and Display

Experience smooth operation powered by the robust Mediatek Helio G99 processor and 6 GB of internal RAM. Paired with 128 GB of storage, expandable via microSD, you have plenty of space for applications, photos, and media. The 6-inch IPS display provides clear visuals with a resolution of 1560 x 720 pixels, perfect for viewing maps and multimedia outdoors.

Capture Every Moment

Equipped with a high-resolution 50 MP main camera, the Hammer Ranger allows you to capture stunning photographs and videos even in harsh conditions. Running on the latest Android 15 operating system, the phone offers enhanced security features and a streamlined user experience.

Key Specifications:

- Display: 6-inch IPS (1560 x 720 pixels) clarity.
- Processor: High-efficiency Mediatek Helio G99.
- Memory: 6 GB RAM and 128 GB internal storage (expandable).
- Photography: Powerful 50 MP main camera.
- Battery Life: Long-lasting 5000 mAh battery capacity.
- Connectivity: Dual SIM capability supporting 3G and 4G networks.
- Operating System: Secure and modern Android 15.

Enduring Power

The substantial 5000 mAh battery capacity ensures that the Hammer Ranger keeps running throughout your longest days, minimizing the need for frequent recharging. Its Dual SIM functionality also allows users to manage professional and personal lines easily, making it the ultimate reliable companion.
