Featuring a 100 Hz refresh rate and a rapid 5 ms response time, the LS24F434UAUXEN ensures smooth motion handling, reducing stutter and blur compared to standard 60 Hz monitors. Whether you are scrolling through documents, watching fast-paced videos, or engaging in light gaming, this display keeps up with the action. With 300 cd/m² brightness, images remain clear and vivid even in well-lit environments.

Connectivity and Ergonomics

This Essential monitor boasts excellent connectivity options designed for modern workspaces. The built-in USB hub, supporting fast USB 3.2 Gen 1 (3.1 Gen 1) standards, allows you to easily connect peripherals directly to your display, minimizing desktop clutter. Furthermore, the monitor offers full ergonomic flexibility, including VESA mounting compatibility and height adjustment, allowing you to tailor the setup for maximum comfort during long hours of use.
