The Hammer Ranger Black/Green smartphone is engineered for those who demand performance and resilience in challenging conditions. Combining a robust design with high-end modern specifications, the Ranger ensures reliable operation whether you are on a job site, hiking, or simply navigating a demanding lifestyle.

## Unmatched Performance and Storage

Equipped with the powerful Mediatek Helio G99 processor, the Hammer Ranger handles multitasking and demanding applications with ease. Coupled with a substantial 8 GB of internal RAM, stutter-free performance is guaranteed. Never worry about running out of space, as this model features 256 GB of built-in storage, expandable further via microSD, giving you ample room for photos, videos, and professional applications.

## Visual Clarity and Imaging

Enjoy vibrant content on the 6-inch IPS display, offering a clear 1560 x 720 pixel (HD+) resolution. The display delivers excellent viewing angles and clarity. Capture stunning photos and detailed videos using the high-resolution 50 MP main camera, ensuring that every moment, no matter how extreme the environment, is preserved clearly.
