Professional Powerhouse: Lenovo ThinkPad P16s Gen 4

Mobile Workstation

The Lenovo ThinkPad P16s G4 is engineered for the demanding professional, offering a perfect blend of mobility and uncompromising performance. This lightweight mobile workstation is ready to handle complex computational tasks, high-resolution rendering, and intensive multitasking, making it the ideal tool for engineers, architects, and creative specialists who need reliability on the go.

Elite Performance Specifications

Experience cutting-edge speed powered by the Intel Core Ultra 7 265H processor, designed for superior efficiency and high-level processing power. Paired with a massive 64 GB of dual-channel SODIMM DDR5 memory (2x32 GB), the P16s G4 ensures seamless multitasking, allowing you to run multiple professional applications simultaneously without slowdown.

- **Processor:** Intel Core Ultra 7 265H, delivering enhanced performance and power management.
- **Memory:** 64 GB DDR5 (2x32 GB) ensuring exceptional speeds for data-intensive workflows.
- **Storage:** Rapid 1000 GB Solid-State Drive (SSD) providing near-instant boot times and quick access to large project files.
- **Operating System:** Pre-installed Windows 11 Pro, offering advanced security features and robust management tools essential for enterprise environments.

Professional-Grade Graphics and Display

Visual professionals benefit immensely from the dedicated NVIDIA RTX PRO 1000 GPU. Built on the revolutionary Blackwell Generation architecture and featuring 8 GB of ultra-fast GDDR7 memory, this graphics card delivers certified performance and stability for critical applications like CAD, 3D modeling, and video editing.

- **Display Quality:** 16-inch IPS display featuring WUXGA resolution (1920 x 1200 pixels) for crisp, detailed visuals.

- **Eye Comfort:** Anti-glare panel minimizes reflections, ensuring comfortable usage even in brightly lit environments.
- **Professional GPU:** NVIDIA RTX PRO 1000 8 GB GDDR7 (Blackwell Generation) ensuring reliable execution of certified professional software.

Connectivity and Durability

Stay connected wherever your work takes you. The P16s G4 supports the newest 802.11be wireless standard (Wi-Fi 7 equivalent) and Bluetooth 5.4 for lightning-fast wireless connectivity. For professionals requiring true mobility, the system is LTE Upgradable, allowing for reliable internet access using cellular networks.

- **Advanced Networking:** 802.11be and Bluetooth 5.4.
- **Ultimate Mobility:** LTE Upgradable feature for connection persistence outside of Wi-Fi zones.
- **User Experience:** English language, backlit keyboard enhances productivity in low-light conditions.
- **Warranty:** Comprehensive 36-month standard warranty provides peace of mind.

Lenovo is globally recognized for manufacturing the robust ThinkPad series, known for its iconic design, military-grade durability testing, and commitment to business and professional excellence.
