## Unmatched Speed and Clarity

The core strength of the XF270 lies in its ability to deliver ultra-smooth motion. The exceptional 200 Hz refresh rate dramatically reduces motion blur and ghosting, providing a distinct advantage in fast-paced titles. Paired with a quick 4ms response time, visuals remain sharp and fluid, even during the most intense action sequences.

### Key Gaming Features:

- **27-Inch Full HD Display:** Enjoy crisp, detailed visuals with 1920 x 1080 resolution, perfectly balanced for high frame rates.
- **200 Hz Refresh Rate:** Provides industry-leading smoothness, crucial for precise targeting and tracking in competitive games.
- **4ms Response Time:** Minimizes lag and screen tearing for immediate reaction times.
- **Vibrant IPS Panel:** Offers superior color reproduction and consistent image quality across wide viewing angles (250 cd/m<sup>2</sup> brightness).
- **Dual HDMI Connectivity:** Equipped with two HDMI ports for easy connection to your PC, gaming consoles, and other peripherals.

### Designed for Endurance

The sleek, black design of the monitor fits seamlessly into any gaming setup. Furthermore, the monitor ensures a comfortable viewing experience during long sessions, letting you focus entirely on your game.

**ACER** is a global leader in computing and display technology, renowned for delivering innovation, quality, and high-performance solutions tailored specifically for the gaming community and professional users.
