Experience ultra-smooth motion thanks to the rapid 144 Hz refresh rate, which minimizes motion blur and provides a responsive viewing experience, whether you are scrolling documents or engaging in fast-paced content. The monitor is further enhanced with TÜV 4-star eye comfort certification, ensuring minimal blue light emission and flicker-free technology to reduce eye strain during extended use.

Key Features of the Dell S2725HSM:

- **Superior Visuals:** 27-inch (68.6 cm) Full HD (1920 x 1080) resolution IPS display, offering accurate colors and excellent clarity.
- **144 Hz Refresh Rate:** Provides exceptionally smooth motion and responsiveness, enhancing content playback quality.
- **TÜV 4-Star Eye Comfort:** Certified technology reducing harmful blue light and flicker for comfortable long-duration viewing.
- **Integrated Audio:** Built-in speaker system provides convenient, clutter-free sound without the need for external peripherals.
- **Ergonomic Design:** Features VESA mounting compatibility and height adjustment capabilities for finding your perfect viewing angle.
- **Connectivity:** Equipped with two HDMI ports for easy connection to multiple devices.

DELL is a world-renowned technology leader dedicated to delivering innovative hardware solutions that power modern life, known for reliability and quality across its entire product portfolio.
