your TV.

- **Bright OLED META Panel:** Enjoy lifelike picture quality with precision, brightness, and detail from any viewing angle. This second-generation META OLED panel delivers astonishing peak brightness levels, beautifully defined contrast, and vibrant colors. Supports all major HDR formats.
- **Legendary Bowers & Wilkins Sound:** A slim, integrated sound system from Bowers & Wilkins provides an extra-wide soundstage for incredible immersion. Nine front-firing drivers and a dedicated center channel direct detailed sound with clear dialogue, while a rear-mounted subwoofer delivers deep, accurate bass.
- **P5 Engine with AI:** The P5 engine with AI maximizes the potential of this bright OLED+ TV, providing a picture so real you'll feel like you're part of the action. A deep-learning AI algorithm optimizes detail, contrast, color, and motion, while also compensating for changes in ambient lighting.
- **Cinematic Viewing with Dolby Vision:** See the picture as the director intended with Dolby Vision. Enjoy every glorious detail in movies and games, with scenes that are never too dark to make out.
- **Immersive Surround Sound:** Dolby Atmos and DTS:X compatibility elevate the Bowers & Wilkins sound, placing sound effects in the space above and around you for a truly immersive experience.
- **Total Gaming Solution:** HDMI 2.1, 120 Hz native refresh rate, and ultra-low input lag provide the specs you need for gaming. Game Bar 2.0 allows you to customize your play, connect a Bluetooth controller for cloud gaming, and enjoy 144 Hz VRR via HDMI for PC gaming.
- **Google TV:** Discover new movies, shows, and more from across your apps and subscriptions, organized just for you. Get personalized suggestions and curate your watchlist on the go with the Google TV app.
- **Smart Home Integration:** Seamless compatibility with Matter allows you to easily integrate this 4K Ambilight TV into your existing smart home network. Use the TV remote to control your satellite or cable box, wake the Google Assistant, and enjoy compatibility with Alexa-enabled devices and Apple AirPlay.
- **Thoughtful Design:** The integrated Bowers & Wilkins sound system looks stylish, and the four-sided Ambilight creates mesmerizing mood lighting when the screen is off. The slender metal TV remote recharges wirelessly and has motion-activated backlighting. The packaging uses FSC-certified recycled cardboard, and inserts are printed on recycled paper.

Our ultimate sound and vision experience

Immerse in the best with the all-in-one OLED+ TV that performs like a master. Legendary Bowers & Wilkins sound, a bright lifelike picture and the immersive wow factor of four-sided Ambilight combine for a truly stunning performance.

All-around immersion. 4 sided Ambilight TV

With four-sided Ambilight, sports, films, music and games will feel bigger than ever. Integrated LED lights at the back react to what you watch or listen to, immersing you in a halo of colourful light that emanates from the top, bottom and sides of the TV. For the full impact, hang your Ambilight TV on the wall.

Bright OLED META panel. Precision, brightness and detail

Thanks to its second generation META OLED panel, this OLED+ Ambilight TV does lifelike better and brighter than ever, with a picture that looks superb at any angle. With astonishing peak brightness levels, contrast and colour are beautifully well defined: even the smallest details leap from shadows and bright areas. All major HDR formats are supported.

Legendary Bowers & Wilkins sound

A slim, integrated sound system from Bowers & Wilkins creates an extra-wide soundstage for incredible immersion. Nine front-firing drivers and a dedicated centre channel direct detailed sound with clear dialogue directly towards you. A rear-mounted subwoofer provides deep, accurate bass.

Whatever you watch, a picture so real. P5 engine with AI

Our P5 engine with AI gets the most out of this bright OLED+ TV, to bring you a picture so real it feels like you could step right into it! A deep-learning AI algorithm effortlessly optimises detail, contrast, colour and motion, as well as compensating for any changes to ambient lighting in your

room. Whatever's on screen, the picture's perfect.

Cinematic viewing for all you watch and play

Hold onto the edge of your seat! With Dolby Vision on board, you'll see the picture the director wanted you to see, no more disappointing scenes that are too dark to make out. From movies to games, say hello to every glorious detail.

Immersive surround-sound technology

Compatibility with Dolby Atmos and DTS:X takes the Bowers & Wilkins sound of this OLED+ TV to another level, in any room. The latest movies, the newest games, the biggest sports events: with sound effects placed in the space above and around you, you'll feel like you're right in the middle of the action.

Total Gaming Solution. Thrilling play for every gamer

HDMI 2.1, 120 Hz native refresh rate and an ultra-low input lag. Indie game or AAA title, this Ambilight TV gives you the specs you need to game how you want! For more control, Game Bar 2.0 lets you customise how you play, and you can connect a Bluetooth controller for cloud gaming. PC gamers can also enjoy 144 Hz VRR via HDMI.

Entertainment you love, with a little help from Google

What do you want to watch? Google TV brings together movies, shows and more, from across your apps and subscriptions—and organises them just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.

Connect to smart home networks, voice assistants and more

Seamless compatibility with Matter means you can easily integrate this 4K Ambilight TV into your existing smart home network. You can also use the TV remote to control your satellite or cable box or wake the Google Assistant—and the TV is compatible with Alexa-enabled devices and Apple AirPlay too.

Thoughtful design. Responsible packaging

The integrated Bowers & Wilkins sound system looks chic—and the four sided Ambilight creates mesmerising mood lighting when the screen's off. The slender metal TV remote recharges wirelessly and has motion-activated backlighting. Our packaging uses FSC-certified recycled cardboard and
