Equipped with the advanced 12th generation Intel Core i5-1235U processor, the R11 handles multitasking and intensive applications with ease. Coupled with 8GB of high-speed memory and a responsive 256GB storage drive, you benefit from fast boot times and rapid data access, enhancing overall productivity. The integrated Intel Iris Xe Graphics deliver sharp visuals suitable for professional tasks.

Key Performance and Design Features:

- **High Performance Processing:** Utilizes the efficient Intel Core i5-1235U CPU, ensuring smooth operation for professional software.
- **Vivid Display:** 11.6-inch FHD (Full High Definition) screen offering excellent visual fidelity and workspace.
- **Integrated Graphics:** Intel Iris Xe Graphics deliver sharp visuals and support for light graphical tasks.
- **Optimized OS:** Pre-installed with Windows 11 Pro, providing advanced security features and a streamlined professional interface.
- **Connectivity:** Reliable integrated WiFi connectivity for seamless communication and data transfer.
- **Storage and Memory:** Fast 8GB RAM and 256GB internal storage for quick loading and data management.
- **Extended Protection:** Comes standard with a comprehensive 3-year manufacturer's warranty.

The sleek black design houses a machine built for professional resilience, providing essential computational power without compromising on portability. The Durabook R11 is the perfect companion for professionals who need enterprise-grade performance and dependability in a compact form factor.

DURABOOK is a leading manufacturer specializing in rugged computing solutions, known for producing highly durable laptops and tablets designed to withstand the harshest environments. Their focus on reliability and performance ensures that their products deliver mission-critical capability to field workers and industry professionals worldwide.

Order today from ++SHOP++ as we offer the best prices and swift delivery on all Durabook professional hardware.
