notebook provides the power required for intensive multitasking and AI-enhanced workflows, backed by the security features of Windows 11 Pro.

Unmatched Performance and Speed

At the heart of the Dell Pro 14 lies the revolutionary Intel Core Ultra 7 265U processor. This advanced CPU, optimized for power efficiency and AI tasks, is paired with 16 GB of high-speed DDR5 memory, ensuring seamless responsiveness whether you are running demanding applications, managing large datasets, or collaborating remotely. The ultra-fast 512 GB Solid-State Drive (SSD) provides quick boot times and rapid access to all your files and programs, significantly boosting productivity.

Premium Visual Experience and Portability

- **14-inch FHD+ IPS Display:** Enjoy crisp, clear visuals with a 1920x1200 resolution display (FHD+). IPS technology ensures wide viewing angles, perfect for presentations or team collaboration.
- **Anti-Glare Finish:** Work comfortably in various lighting conditions thanks to the anti-glare screen coating that minimizes distracting reflections.
- **Integrated Intel Graphics:** Provides reliable graphical performance for professional applications and high-definition media playback.
- **Sleek and Durable Design:** The lightweight and professional Platinum Silver design ensures maximum portability without sacrificing screen real estate or structural integrity.

Connectivity and Professional Features

- **Operating System:** Windows 11 Pro offers essential features like advanced security, BitLocker encryption, and remote management capabilities designed for secure hybrid work environments.
- **Advanced Wireless Connectivity:** Stay connected with blazing-fast 802.11ax (Wi-Fi 6E) and Bluetooth version 5.3 for stable, reliable connections to networks and peripherals.
- **Backlit Keyboard:** The English layout keyboard features backlighting, allowing comfortable and accurate typing even in dimly lit settings, essential for late-night productivity.
- **Warranty Coverage:** This professional device includes an extended 36 month warranty, with a 12 month warranty specifically covering the battery.
