chassis and provides the essential speed and efficiency needed to tackle demanding workloads, creative projects, and advanced multitasking with ease.

Uncompromising Performance and Speed

At the core of this machine lies the advanced Intel Core Ultra 5 238V processor, optimized for AI-driven tasks and energy efficiency. Paired with a massive 32 GB of high-speed LPDDR5x RAM, the Dell Pro 16 Plus ensures seamless operation even when running multiple applications simultaneously. The quick-access 512 GB Solid State Drive (SSD) dramatically reduces boot times and accelerates data loading, boosting overall productivity.

- Processor: Intel Core Ultra 5 238V.
- Memory: 32 GB LPDDR5x RAM for superior multitasking capability.
- Storage: 512 GB SSD capacity.
- Graphics: Integrated Intel Arc Graphics, providing robust visual performance.

Immersive Display and Premium Features

Enjoy crisp visuals on the 16-inch Full HD+ (1920 x 1200) display. The anti-glare panel minimizes reflections, ensuring comfortable viewing in brightly lit environments, making it ideal for mobile work. The notebook features a highly efficient English language backlit keyboard, allowing you to maintain productivity regardless of ambient light conditions.

Next-Gen Connectivity and Operating System

Stay ahead with blazing-fast Wi-Fi 7 (802.11be) connectivity, offering significantly higher speeds and reliability than previous generations, complemented by Bluetooth 5.4. Running on Windows 11 Pro, this laptop provides enhanced security features and management tools necessary for enterprise environments, while its status as a Copilot+ PC means it is ready for the latest AI-enhanced Windows experiences.

DELL is a world leader in developing, manufacturing, and supporting high-quality personal computers and related products, trusted globally by businesses and consumers alike.

Order the high-performance Dell Pro 16 Plus today from ++SHOP++ and benefit from a comprehensive 36-month standard warranty.
