Aprašymas

Minimise your printing costs

Take advantage of the cost-effective DURABrite Ultra Inks with applicable WorkForce models, for up to 50 percent lower cost-per-page than competitive lasers¹. Offering great value, the inks are supplied individually so you only ever have to replace the colour used. Plus with XL cartridges, you can print up to 2,600 black and 1,900 colour pages².

Meet the range

Our all-pigment DURABrite Ultra Ink creates sharp, long-lasting and robust documents that are water, smudge and highlighter resistant. They're also quick-drying, which minimises the risk of smudging when printing on both sides.

Optimised for Epson printers

Epson inks and papers have been developed to work hand-in-hand with Epson printers to produce the best results time and time again.
