The Activejet T5 ergonomic office chair is meticulously engineered to provide maximum support and lasting comfort during long work sessions. This high-back swivel chair combines robust construction with comprehensive adjustability, making it the perfect upgrade for any professional workspace or home office. Featuring a sleek black aesthetic, the T5 ensures optimal posture and enhanced productivity.

## Superior Ergonomics and Customization

Achieve the perfect personalized fit thanks to the T5's extensive range of adjustments. This chair is built to adapt precisely to your body, minimizing strain and promoting healthy seating habits.

- **Advanced Lumbar Support:** The dedicated lumbar support feature is fully adjustable in both height and depth, allowing you to target and stabilize your lower back effectively.
- **Multi-Dimensional Armrests:** Hard armrests are adjustable (4 heights) to ensure proper alignment between your desk and shoulders.
- **Adjustable Headrest:** Provides crucial neck support, minimizing tension during periods of deep focus.
- **Tilt Function:** Utilize the tilt adjustment mechanism to find your ideal reclining angle for relaxation or focused work.
- **Gas Lift Height Adjustment:** Easily modify the seat height from 44 cm (min) to 52 cm (max) using the reliable gas lift mechanism.

## Durable Construction and Breathable Design

Built on a robust metal frame and base, the Activejet T5 is designed for stability and longevity, supporting a maximum load weight of 120 kg. The materials selected prioritize both durability and user comfort.

- **Breathable Mesh Backrest:** The high-quality mesh fabric backrest promotes continuous airflow, keeping you cool and comfortable even during extended periods of use.
- **Padded Comfort Seat:** The seat is crafted using durable 50D foam, offering substantial padding without sacrificing support.
- **Smooth Mobility:** Equipped with 5 durable castor wheels, allowing for silent and effortless movement across your office floor.
