Superior Comfort and Customization

Achieve the perfect sitting position with extensive customization options. The seat height is easily adjustable using a reliable Class 2 gas lift, ranging from 45 cm (minimum) to 55 cm (maximum). The chair features both adjustable backrest and tilt adjustment mechanisms, ensuring optimal alignment whether you are working or taking a well-deserved break. The generous foam padding in both the seat and backrest, complemented by padded nylon/polyurethane armrests, guarantees enduring comfort. The 360° angle of rotation provides complete freedom of movement.

Therapeutic Features: Heating and 8-Point Massage

The YK7304 stands out with its integrated therapeutic functions. Enjoy the benefits of an 8-point massage system and a soothing heating function, both easily controlled via the included remote control. These features are designed to help alleviate muscle tension and improve circulation, making long sessions much more comfortable and productive.

Key Specifications:

- Product Type: Swivel Chair with ergonomic design.
- Upholstery: High-quality PU Leather (seat and backrest upholstery material).
- Height Adjustment Range: 45 cm to 55 cm (Class 2 Gas Lift).
